Registration

till 27th Oct 2023

Regional Exhibition

Nov 2023 - Dec 2023

National Exhibition

Jan 2024

About Science Exhibition

Science is inextricably linked with our lives and helps us to understand the world around us better. It, thus, becomes imperative to encourage our students to think, learn, solve problems and make informed decisions. The organization of the Science Exhibition is one such initiative. The activity aims to provide a platform for students to demonstrate such learnings that encourage the construction of knowledge by connecting new ideas to existing concepts as well as enriching one's understanding of other's experiences and perspectives.

1. Go to the Resources menu for all information related to the CBSE Science Exhibition.

The screenshot shows the 'Resources' page of the CBSE Science Exhibition website. The page features a dark blue header with the text 'Skip to main content' and social media icons for Facebook, Twitter, Instagram, and YouTube. Below the header is a navigation menu with 'Home', 'Resources', 'Login', and 'Contact Us'. The main content area is titled 'Resources' and contains a grid of ten colorful buttons, each with an icon and a label: 'Circulars' (purple), 'FAQ' (green), 'How to Develop Your Exhibit' (light blue), 'Taking up different type of work' (orange), 'Features of a Good Exhibit' (pink), 'Good Exemplars' (purple), 'Poor Exemplars' (light blue), 'Evaluation Criteria' (teal), 'Report Formats' (yellow), and 'User Manual' (pink).

2. Use Menu Login as School for registration in the Science Exhibition Portal. Please use LoC credentials for login in the portal.

The screenshot displays the top navigation bar of the CBSE Science Exhibition portal. It includes a dark blue header with the text "Skip to main content" and social media icons for Facebook, Twitter, and Instagram. There are also accessibility icons for font size (A+, A, A-) and a search bar. Below the header, the CBSE logo and the text "CBSE Science Exhibition" are on the left, while the navigation menu with "Home", "Resources", "Login", and "Contact Us" is on the right. The main content area features a light blue box titled "School Login" with input fields for "Affiliation Number", "LoC Password", and a captcha field showing "9C3DC". A "Log In" button is positioned at the bottom of the box. A footer at the bottom right contains the text "Activate Windows" and "Go to Settings to activate Windows".

3. After login registration page will come as given below. Select No. of participating teams from the drop down menu as shown in the screenshot.

6. After step 6 Screen for Indian School

After the confirmation screen as given below will come. Schools in India have to pay the registration fee for participation in Science Exhibition. For payment click on the button “Online payment of Registration fee”. On button click, the schools will be taken to the payment gateway website. In case of any link break or network failure due to which your application status is not updated but amount is being debited from your account, then do not try paying fee again. You are also advised to not to change the payment mode if the fee is already debited from your account.

[Online Payment of Registration Fee](#)

7. On button click, you will be taken to the payment gateway website. In case of any link break or network failure due to which your application status is not updated but amount is being debited from your account, then do not try paying fee again. You are also advised to not to change the payment mode if fee is already debited from your account.

8. After successful payment, the school redirected back to the Science Exhibition Portal. Payment confirmation receipt is generated having transaction details and printout of the same be taken by school. In case payment fails due to some reason then the school can use the “Make Payment” option to pay the fee.
9. After successful payment an email is sent at the registered email of the school having credentials of the registering team. Using credentials, Mentor Teacher/Team can upload their project details on the portal.

10. Schools may share credentials sent at school email address to the Registered Team/Mentor for uploading of Project Details.

11. Login page for Mentor Teacher/ Team is given below to submit project details.

The screenshot shows the 'Participant Login' page of the CBSE Science Exhibition website. The page features a dark blue header with navigation links: Home, Resources, Login, and Contact Us. The main content area contains a light blue login box with the following elements:

- Participant Login** (Section Header)
- Input field for ID: T2501161
- Input field for Password:
- Captcha: 93114 (displayed in red) with an 'Enter Captcha' input field.
- Log In** button (dark blue)
- [Forgot Password?](#) link (red text)

The footer is dark blue and contains three columns of links:

- CBSE Links**
 - [CBSE Main Website](#)
 - [CBSE Academics](#)
 - [SARAS](#)
 - [Results](#)
- Science Exhibition Links**
 - [Circular](#)
 - [Resources](#)
 - [FAQ](#)
- Social Links**
 - [Facebook](#)
 - [Twitter](#)

12. The Mentor Teacher/ Team has to fill in all details and upload required documents as given in the screenshot.
