

REPORT: Interschool Craft Competition (Best Out of Waste)

Interschool Craft Competition was organised by Bal Vikas School (Lead Collaborator) on 12.12.2022.

Students of the member schools from classes VI to X participated enthusiastically. Students exhibited a lot of creativity and their awareness to reduce, reuse and recycle the waste material. The craft items created by them were of great utility.

One best entry from each class was selected.

On the whole the competition was a great success.
