

5. Systemic Reforms

5. Systemic Reforms

They will engage themselves in Systemic Reforms including mutually beneficial professional learning that has the power to facilitate systemic changes in school processes and culture.

Activity 5: SYSTEMIC REFORMS

SCHOOL SAFETY

Safety Measures

Health & Safety Committee

Security

Surveillance

Safety on Buses

Identity Cards

Safe and secure school spaces

Students spend a considerable amount of time in school making it important for school authorities and teachers to ensure:

- **their safety inside the school and while commuting** to and fro from the school.
- **potable water**
- **clean and safe toilets**
- **protection from natural or man-made disasters**
- **safety from any kind of abuse.**

Safety is not an option but a default priority.

Emotional Wellbeing

Cyber Safety
